

Samuel Crompton

Concepts		Vocabulary			
Trade	Law	Spinning Mule	Inventor	Industry	Hall I' Th' Wood

A great historian...

- understands historical concepts such as continuity and change, cause and consequence, similarity, difference and significance

History Knowledge

I know that Samuel Crompton was an inventor from Bolton.

I know that he lived from 1753 – 1827.

I know that his invention, the spinning mule, helped to revolutionise the cotton industry.

I know that Samuel Crompton did not get credit for his work because his machine wasn't patented.

Historic Skills

I understand that a timeline can be used to show significant events, and the passing of time.

I can use a timeline to make connections between events.

I can compare between the past and the present for significant individuals.

I am able to retell the lifestyle of the people who lived at that time.
