

## St Maxentius Newsletter 17<sup>th</sup> September 2021

We have had another wonderful week at St Maxentius School. We brought the sunshine to Bradshaw on Monday all dressed in yellow to celebrate Roald Dahl day! It was a great day with children talking about their favourite books, characters or villains from Roald Dahl.

We have also had great success with our behaviour zones with children aiming to 'Go Green' for exceptional behaviour. We are developing this further with the re-instatement of housepoints over the next few weeks, so that pupils continue to receive the recognition for their excellent behaviour.

Thank you for your continued support.

Mrs N. Patel

### Attendance Matters

We continue to promote attendance at school and the average attendance for the last week was 96.8%.

Your child's attendance and punctuality at school is very important and we appreciate your support on this.

### Morrisons 'Good to Grow'

One of our thoughtful parents has brought to our attention that Morrisons is offering free gardening equipment to schools again. We have registered as a school; and if any friends or family shop at Morrisons they can use the app to donate them to school: for every £10 spent online or in store a grow token can be donated. We can't wait to get gardening again!
