

Mexico

Concepts		Core Vocabulary			
space	place	Día de los Muertos	Chichen Itza	quesadilla	peso

A top geographer...

- can understand geographical concepts such as place and scale, distance, region, change and process.

Geography Knowledge

I know that Mexico's official name is the United Mexican States and is part of the North American continent.

I know that Mexico City is the capital of Mexico.

I know that the official language of Mexico is Spanish.

I know that the Yucatán Peninsula was once home to the Maya civilisation.

I know that today, many Mexicans are mestizos, which means they have a mix of Native American and Spanish blood.

Geography Skills

Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

Use the eight points of a compass, four and six-figure grid references, symbols and keys to build knowledge.

Observe, measure, record and present the human and physical features.
