

"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6

Relationships and Sex and Education Policy

Rationale

'I have come that you might have life and have it to the full'
(John Chapter 10 v. 10)

We are involved in relationships and sex education precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Church of England school.

At the heart of the Christian life is the Trinity- Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops and that is why we specifically place 'Relationships' before 'Sex' in the title of this policy.

At St. Maxentius CEP School, we consider that Relationships and Sex Education (RSE) is an integral part of the Personal, Social and Health Education (PSHE) and Citizenship curriculum, and is linked to that for Science. The main focus of the policy is around building healthy relationships in all aspects of life. We aim to offer pupils a carefully planned programme on human development, relationships, sexuality and family life within a safe, comfortable atmosphere built on the Christian value of Trust and in a relaxed relationship between teacher and pupil. The programme is set within a moral framework and matched to the pupils' level of maturity. This policy reflects the requirements of the DCSF Sex and Relationship Guidance.

Aims

The following aims compliment those of the Science curriculum in KS1 and KS2.

Sex and Relationship Education is part of the wider responsibility of the school to help individuals to develop. It is an integral part of the wider school policy to promote in pupils :-

- Positive and secure personal identity and sense of their own value, regardless of family background, gender (natural or reassigned), race, ethnicity, nationality, age, ability or disability, sexual orientation, physical appearance, social background, special educational need, religious or cultural background
- To have the confidence and self-esteem to value themselves and others
- Grasp the Christian values of acceptance and forgiveness and to aim to reconcile differences
- Proper attention to moral considerations and the value of family life
- To understand about the range of relationships, including the importance of family for the care and support of children
- To develop confidence in talking, listening and thinking about feelings and relationships
- To understand the consequences of their actions and behave responsibly within relationships
- To be able to name parts of the body and describe how their bodies work
- To provide information which is clear and appropriate to pupils' age and maturity; to offer an acceptable and accurate vocabulary for discussing their bodies

*"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6*

- To prepare children for, and enable them to cope with, the changes to their bodies, instincts and feelings as they enter puberty, and to understand the changes to the bodies, instincts and feelings of the opposite sex
- To encourage children to appreciate that sexual feelings and activity are an integral part of loving relationships
- To be able to recognise unsafe situations and be able to protect themselves and ask for help and support
- To provide an opportunity for children to become confident in talking and discussing honestly, openly, appropriately and responsibly about sexual matters
- To teach about the development and needs of babies
- To understand the role the media plays in forming attitudes
- To understand how safe routines can reduce the spread of viruses

Christian Expectations of Guidance on Sex and Relationship Education

- Pupils should be taught from a very early age to understand human sexuality and to respect themselves and others. They should be given accurate information. This will enable them to understand differences and help to remove prejudice.
- Human sexuality finds perfect expression within a loving long term relationship.
- Traditional Christian marriage should be encouraged as the building block of society and of family life.
- Pupils have the right to develop without being subject to any physical or verbal abuse about sexual orientation or to the encouragement of sexual activity.
- Life-long human friendships are an important gift and should be honoured and cherished.

Objectives

As part of RSE, pupils will be taught about the nature and importance of marriage for family life and bringing up children. They also need to understand that there are strong and mutually supportive relationships outside of marriage. We try to ensure that no stigma is placed on children based on their home circumstances. We aim to provide accurate information and to help to develop skills to enable them to understand differences and respect themselves and others. We hope to prevent and remove prejudice. RSE should contribute to promoting the spiritual, moral, cultural, mental and physical development of pupils at school and within society, thus preparing them for the responsibilities and experiences of adult life. We will work towards this aim in partnership with parents/carers.

Teaching and Learning including delivery of the Curriculum

We teach RSE through different aspects of the curriculum and carry out the main RSE teaching in our PSHE curriculum.

The scheme of work for RSE at St. Maxentius School maps out a grid of lessons/units for each year group which progresses and returns to themes as children move through the school.

For example: Safe Relationships

Reception – Self regulation; managing self; building relationships

Y1 - Recognising privacy; staying safe; seeking permission

*"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6*

- Y2 - Managing secrets; resisting pressure and getting help; recognising hurtful behaviour
- Y3 - Personal boundaries; safely responding to others; the impact of hurtful behaviour
- Y4 - Responding to hurtful behaviour; managing confidentiality; recognising risks online
- Y5 - Physical contact and feeling safe
- Y6 - Recognising and managing pressure; consent in different situations

We also teach RSE through other subject areas (eg Science, PE and R.E.), where we feel that they contribute significantly to a child's knowledge and understanding of his or her own body, and how it is changing and developing. Linked with R.E. children reflect on family relationships, different family groups and friendship. They learn about rituals and traditions associated with birth, marriage and death and talk about the emotions involved.

Since RSE incorporates the development of self-esteem and relationships, pupils' learning does not just take place through the taught curriculum but through all aspects of school life including the playground. It is important then that all staff understand they have a responsibility to implement this policy and promote the aims of the school at any time they are dealing with children.

Science Curriculum

Early Years Foundation Stage children learn about life cycles. Through on-going personal, social and emotional development they develop the skills to form relationships and think about relationships with others.

In Key Stage 1 children learn:

- That animals including humans, move, feed, grow and use their senses and reproduce
- To recognise and compare the main external parts of the bodies of humans
- That humans and animals can reproduce offspring and these grow into adults
- To recognise similarities and differences between themselves and others
- To treat others with sensitivity

In Key Stage 2 children learn:

- That the life processes common to humans and other animals including nutrition, growth and reproduction
- About the main stages of the human life cycle

In Year 5 we place a particular emphasis on Sex education (which is re-visited in Year 6), as many children begin to experience puberty at this age. We teach the children about the parts of the body and how they work. We also explain what will happen to their bodies during puberty. We encourage the children to discuss as a class because it is important that they understand each other. We offer opportunities for children ask questions using a 'question box', so there is no need to ask aloud, and there are opportunities for single sex question sessions. Teachers do their best to answer all questions with sensitivity and care. By the end of Key Stage 2, we ensure that both boys and girls know how babies are born, how their bodies change during puberty, what menstruation is, and how it affects women. We always teach these with due regard for the emotional development of the children (as stated earlier in this policy).

The Role of Parents

*"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6*

The school is well aware that the primary role in children's RSE lies with parents and carers. We wish to build a positive and supporting relationship with the parents of children at our school through mutual understanding, trust and co-operation. In promoting this objective we:

- Inform parents about the school's RSE policy and practice (See appendix B for our RSE Parent's Guide).
- Answer any questions that parents may have about the RSE of their child
- Take seriously any issue that parents raise with teachers or governors about this policy or the arrangements for RSE in the school
- Parents have the right to withdraw their children from those aspects of Sex and Relationship education, not included in the Science Curriculum. However this rarely happens, by working in partnership with parents they recognise the importance of this aspect of their child's education. We hold a meeting about a month prior to lessons being taught so that parents can make an informed decision.
- If parents/carers do request their child be removed from these lessons, then that child will be provided with alternative work, linked with the PSHE and Citizenship programme, and be invited to join another class for that session. A register of any such pupils will be kept and distributed to all teachers involved.

The Role of the Headteacher

It is the responsibility of the Headteacher to:

- Ensure that parents and staff are informed about our RSE policy
- The policy is implemented effectively.
- Ensure that members of staff are given sufficient training, so that they can teach effectively and handle any difficult issues with sensitivity.
- Monitor this policy on a regular basis and reports to governors on the effectiveness of the policy.

Language

Children should be introduced, at appropriate stages, to the correct terminology in their programme of sex education. It is important that acceptable and unacceptable terminology is clarified. After initial discussion, correct biological terms will be used at all times for teaching.

Pupils' Questions

Teachers will reply to, and answer, children's questions sensitively and openly. They will ensure that balanced information is provided which will take into account the different faiths' views and avoid any negative impressions.

Teachers will need to answer questions that may arise through the direct teaching of sex education, as well as those that may be asked at other times. All questions will be handled sensitively and set within a general context.

Questions which teachers feel uncertain about answering should be discussed with a senior member of staff and answered at a later date. Consideration should be given to religious or cultural factors, and to parents' wishes before questions are answered.

If the teacher decides to discuss the matter on an individual basis, a record must be kept of that discussion.

*"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6*

Harassment and bullying

Pupils come from a variety of backgrounds and all are entitled to learn in a supportive environment, free from fear. Some pupils may use terms such as 'poof', 'gay' and 'lesbian' as a way to harass other pupils. This is unacceptable and will be dealt with as any other form of harassment, through the school behaviour and discipline procedures in line with KCSIE 2022 (see Safeguarding Policy). An understanding of human difference, including sexuality, is an important aspect of education and will be addressed as appropriate through the curriculum.

Advising Parents/Carers

Parents/Carers will be advised (by letter) about forthcoming sex education lessons following a parental meeting. Further details of the lessons will be provided to parents upon request and they will be invited to view any materials before the lesson.

Confidentiality

Teachers conduct sex education lessons in a sensitive manner. However, if a child makes a reference to being involved, or likely to be involved in sexual activity, then the teacher will take the matter seriously and deal with it as a matter of child protection. Teachers will respond in a similar way if a child indicates that they may have been a victim of abuse. In these circumstances, the teacher will talk to the child as a matter of urgency. If the teacher has concerns, they will draw these to the attention of the Designated Safeguarding Lead.

Legally, the school cannot offer or guarantee absolute confidentiality. We aim to ensure that pupils' best interests are maintained and try to encourage pupils to talk to their parents or carers to provide support. If confidentiality has to be broken, then pupils are informed first and then supported by the designated teacher throughout the whole process.

Special Needs

Pupils with special educational needs will be given the opportunity to fully participate in RSE lessons, and a differentiated programme will be provided where necessary, to ensure that all pupils gain a full understanding.

Equal Opportunities

RSE will be given to ensure quality of access for all pupils, regardless of family background, gender (natural or reassigned), race, ethnicity, nationality, age, ability or disability, sexual orientation, physical appearance, social background, special educational need, religious or cultural background

Monitoring and Evaluation

This policy scheme of work will be regularly reviewed and any feedback from teachers, parents/carers and pupils will be considered.

*"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6*

Complaints Procedure

Any complaints about the Sex and Relationship programme should be made through the school's complaints procedure and in the first instance be directed to the Head of School.

Resources

Resources are stored in the PPA Room and copies of the DVD can be sought from the PSHE and Citizenship Leader. Electronic resources are available on the school's internal electronic database. Any queries regarding resources should be directed to the PSHE and Citizenship Leader.

Dissemination

Copies of this policy will be provided for teachers, parents/carers will be informed of its availability upon request.

"And when he finds it, he joyfully puts it on his shoulders and goes home. Then he calls his friends and neighbours together and says "Rejoice with me; I have found my lost sheep." Luke 15: 5-6

Appendix A - Scheme of work outline

Relationships				Health and wellbeing		
	Me & My community	Once upon a time	Starry night	Ready, steady, grow!	Big wide world	Sunshine & flowers
REC	New Beginnings See themselves as a valuable individual. Being me in my world Class Rules and Routines Supporting children to build relationships with peers and staff Friendly behaviour Dreams and Goals Developing good teamwork e.g. tidy teams. Managing own personal needs e.g. handwashing Identify different feelings/emotions.	Relationships What makes a good friend? Random acts of Kindness Looking after pets Give children strategies for staying calm in the face of frustration. Talk them through why we take turns, wait politely, tidy up after ourselves. Looking after my teeth	Getting on and falling out. How to deal with our feelings/emotions. Self - Confidence Build constructive and respectful relationships. Ask children to explain to others how they thought about a problem or an emotion and how they dealt with it. Asking for help Developing growth mindset 'I can do it!'	Looking after others Friendships Show resilience and perseverance in the face of challenge. Identify and moderate their own feelings socially and emotionally. Perseverance and concentration. Food to keep me healthy	Good to be me What is high self-esteem? Learning about and celebrating our qualities and differences. Encourage them to think about their own feelings and those of others by giving explicit examples of how others might feel in particular scenarios. Looking After our Planet	Taking part in sports day - Winning and losing Changing me Look how far I've come! Model positive behaviour and highlight exemplary behaviour of children in class, narrating what was kind and considerate about the behaviour. Sun safety
	Families and friendships	Safe relationships	Respecting ourselves and others	Physical health and Mental wellbeing	Growing and changing	Keeping safe
	Y1	Roles of different people; families; feeling cared for	Recognising privacy; staying safe; seeking permission	How behaviour affects others; being polite and respectful	Keeping healthy; food and exercise, hygiene routines; sun safety	Recognising what makes them unique and special; feelings; managing when things go wrong
Y2	Making friends; feeling lonely and getting help	Managing secrets; resisting pressure and getting help; recognising hurtful behaviour	Recognising things in common and differences; playing and working cooperatively; sharing opinions	Why sleep is important; medicines and keeping healthy; keeping teeth healthy; managing feelings and asking for help	Growing older; naming body parts; moving class or year	Safety in different environments; risk and safety at home; emergencies
Y3	What makes a family; features of family life	Personal boundaries; safely responding to others; the impact of hurtful behaviour	Recognising respectful behaviour; the importance of self-respect; courtesy and being polite	Health choices and habits; what affects feelings; expressing feelings	Personal strengths and achievements; managing and re-framing setbacks	Risks and hazards; safety in the local environment and unfamiliar places

"And when he finds it, he joyfully puts it on his shoulders and goes home.
Then he calls his friends and neighbours together and says
"Rejoice with me; I have found my lost sheep." Luke 15: 5-6

Y4	Positive friendships, including online	Responding to hurtful behaviour; managing confidentiality; recognising risks online	Respecting differences and similarities; discussing difference sensitively	Maintaining a balanced lifestyle; oral hygiene and dental care	Personal identity; recognising individuality and different qualities; mental wellbeing	Medicines and household products; drugs common to everyday life
Y5	Managing friendships and peer influence	Physical contact and feeling safe	Responding respectfully to a wide range of people; recognising prejudice and discrimination	Healthy sleep habits; sun safety; medicines, vaccinations, immunisations and allergies	Physical and emotional changes in puberty; external genitalia; personal hygiene routines; support with puberty Human reproduction and birth; increasing independence; managing transition	Keeping safe in different situations, including responding in emergencies, first aid, CSE and inappropriate touching
Y6	Attraction to others; romantic relationships; civil partnership and marriage	Recognising and managing pressure; consent in different situations	Expressing opinions and respecting other points of view, including discussing topical issues	What affects mental health and ways to take care of it; managing change, loss and bereavement; managing time online	Revision of Year 5 and a further opportunity to ask questions prior to transition to high school	Keeping personal information safe; regulations and choices; drug use and the law; drug use and the media
