Village life in Chembakolli

Farming in the village

Key Knowledge

1	India is a country in the continent of South Asia.
2	The climate of India varies. Chembakolli is near the equator and has a tropical climate, this means it is hot and humid for most of the year.
3	This part of India also experiences monsoons which cause flooding.
4	Chembakolli is in the south of India in a region known as Tamil Nadu
5	Chembakolli is one of many small villages dotted throughout the Nilgiri Hills.
6	The people who live here are known as the Adivasi. They are tribal groups who live across Tamil Nadu.
